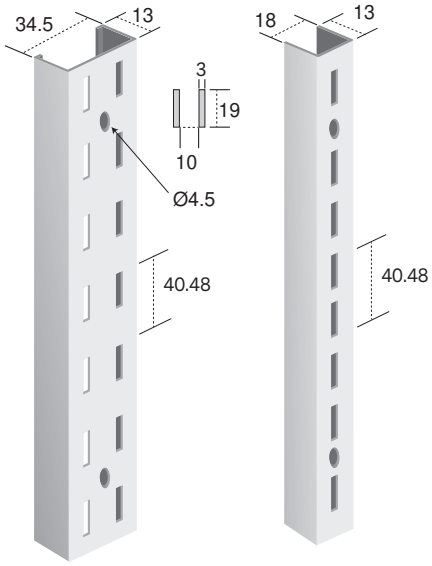
SHELVIT

WALL STRIPPING - SHELF BRACKETS SHELF RESTS - HANG RAILS - TIMBER

The SHELVIT shelving system is one of the most popular DIY shelving systems in Australia. The system is basically comprised of stripping, brackets, shelf rests and shelves. The stripping mounts to the wall or suitable panel and the brackets locate into the stripping to form the basis of the shelf.

WALL STRIPPING

SHELVIT stripping is manufactured from roll-formed steel, is punched in either single or double slot at 40.5mm pitch and is pre-cut to the most popular market sizes.



Code	Description	Size	Colour
SB11916BC	Single Slot 40.5 mm Pitch Barcode	600	White
SB11917	Single Slot 40.5 mm Pitch	600	Chrome
SB11917BC	Single Slot 40.5 mm Pitch Barcode	600	Chrome
SB11926BC	Single Slot 40.5 mm Pitch Barcode	900	White
SB11927	Single Slot 40.5 mm Pitch	900	Chrome
SB11927BC	Single Slot 40.5 mm Pitch Barcode	900	Chrome
SB11936BC	Single Slot 40.5 mm Pitch Barcode	1200	White

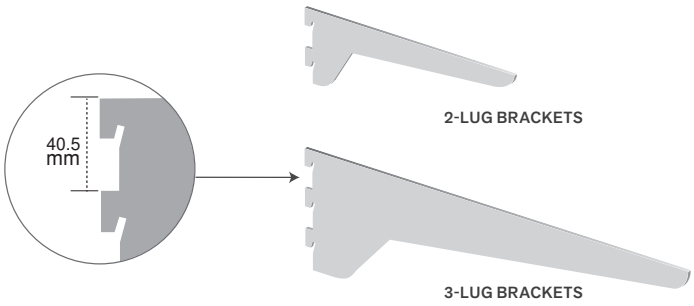
SB11967	Single Slot 40.5 mm Pitch	2100	Chrome
SB11967BC	Single Slot 40.5 mm Pitch Barcode	2100	Chrome
SB11976BC	Single Slot 40.5 mm Pitch Barcode	2400	White
SB11977	Single Slot 40.5 mm Pitch	2400	Chrome

STANDARD SHELF BRACKETS

SHELVIT brackets are made from punched steel and incorporate unique self-locking bracket lugs which hold the brackets firmly in the stripping while minimising the lateral shelf movement.

The brackets are made using a 40.5mm pitch (distance between lugs), which is the most common pitch used in Australia. A variety of standard sizes ensures that they are suitable for most decors.



RECOMMENDED WEIGHT LOADINGS

Bracket Size	Max. Load
150mm	90kg per bracket
200mm	70kg per bracket
250mm	60kg per bracket
300mm	60kg per bracket
350mm	80kg per bracket
400mm	75kg per bracket
450mm	60kg per bracket
500mm	45kg per bracket

The recommended maximum loads are based upon a failure point of bracket to wallstrip, not wallstrip to wall. Loadings are assumed to be static loads spread evenly over the entire shelf.

Code	Description	Size	Colour

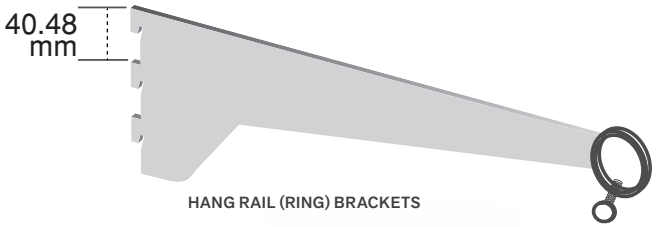
HANG RAIL (RING) BRACKETS

These brackets are used to hold a hanging rail (25mm O.D. tube) which is to support items such as coat hangers. The brackets are standard 3-lug type in 280mm and 350mm and have a ring welded to the tip.

This ring will accept up to a 25mm diameter tube and has a thumb screw tapped into one side for stabilisation.



HANG RAIL (RING) BRACKETS

SG72637	Hang Rail (Ring) Bracket 40.5 mm Pitch	350	Chrome
SG72700	Hang Rail End Stop		

SHELF RESTS

Optional plastic shelf rests can be used with either glass or timber shelves to reduce movement.

The rubber "grommet" helps minimise movement of glass shelves but may also be removed to allow for screwing to a timber shelf.

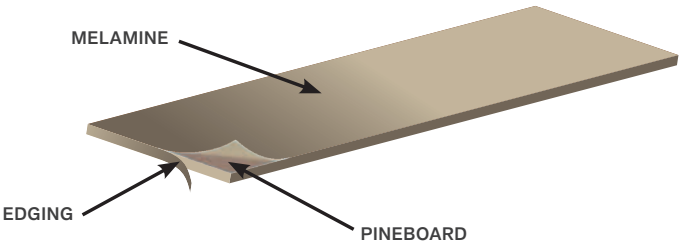
TIMBER SHELVES

The SHELVIT system can be complimented by our range of timber shelves. These 16mm shelves are manufactured from pineboard and are finished in a coloured melamine.

Shelves are stocked in 600mm, 900mm & 1200mm wide x 150, 200, 250 & 300mm deep and are available in white.



Code	Description	Size	Colour

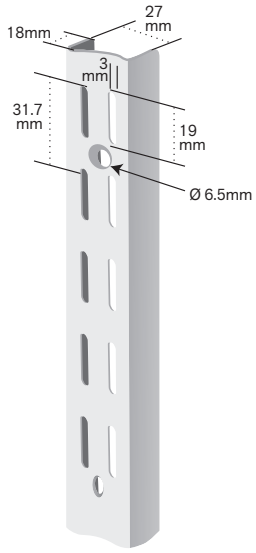
SB31246	Timber Shelf 1200 x 300 mm		White

DOUBLE WALL STRIPPING 31.7MM PITCH

A sturdy, stable and simple to install shelving range. Made from powder coated steel. Popular 31.7mm retail slot pitch. Double slotted wall stripping with sunken face for added aesthetics. Slimline shelf brackets with double lugs for increased strength.

MAXIMUM LOAD 100KG PER BRACKET
LOADINGS ARE ASSUMED TO BE STATIC LOADS SPREAD EVENLY OVER THE ENTIRE SHELF.



Code	Description	Size	Colour

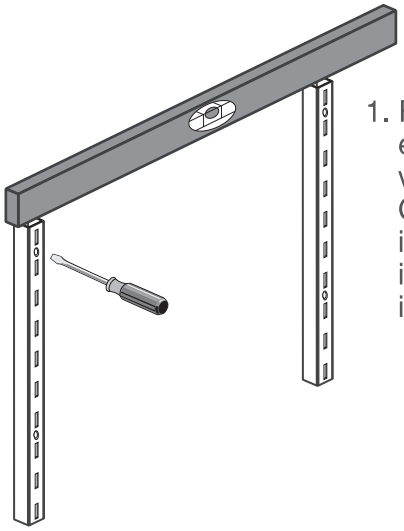
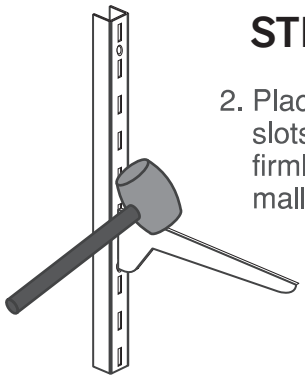
SHELVING SYSTEMS

EASY TO FIX



STEP 1:

1. Fix stripping to wall ensuring that they are vertical and level. Check that all stripping is the same way up. ie. Check that slots are in line.

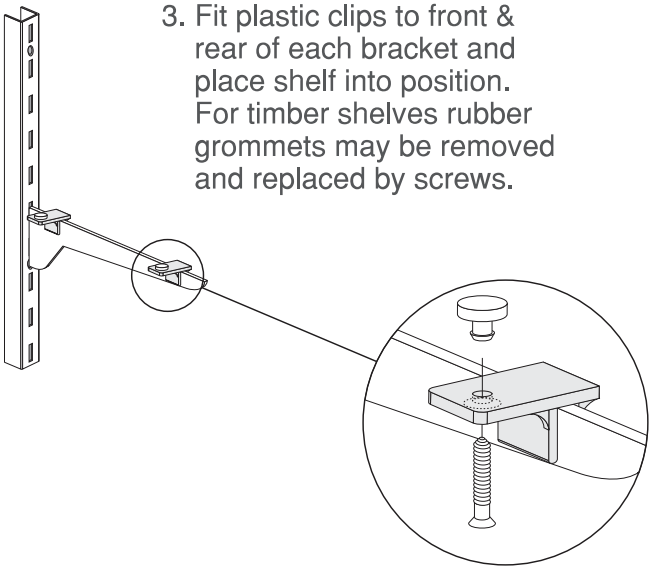


STEP 2:

2. Place brackets into slots and knock down firmly with a rubber mallet to lock into place.

STEP 3:

3. Fit plastic clips to front & rear of each bracket and place shelf into position. For timber shelves rubber grommets may be removed and replaced by screws.



Cowdroy is an Australian company supplying industry leading products across residential and commercial properties.

Established in 1890, Cowdroy specialises in door tracking systems, weather seals, insect screen, replacement wheels & rollers and more products for a wide range of applications.
