

**240kg**  
PER DOOR

# ALLWEATHER

SLIDING TRACK SYSTEM  
SINGLE EXTERNAL DOORS

# ALLWEATHER

**cowdroy**

With Stainless steel components and a 240kg door capacity, the Allweather Sliding can be used for large, heavy doors internally and externally. The robust, enclosed track provides added wheel assembly security and longevity. Ideal for heavy domestic, commercial and architectural applications including room dividers, moveable walls, patio doors, shutter screens and shopfronts.
