SLIDING DOOR TRACK  
FOR INTERNAL DOORS

**MULTI**

**cowdroy**

A bottom rolling system, with smooth and quiet performance, suitable for multiple doors in wardrobe applications. A unique add-on design feature lets you add additional tracks, allowing for multiple doors, all opening to one end, if desired. Robemaker Multi features concealed wheel assemblies and a screw down bottom track, allowing for easy installation and removal for renovation. Available in either white powder coat or clear anodised.

**FEATURES**

- Track: Aluminium multi top track  
Aluminium multi bottom track
- Wheel assembly: Single-wheel assemblies with height adjustment screw
- Key features: Concealed bottom track fitting
- Door Guide: Door top-mounted nylon guide
- Optional: Optional "Hush" soft-tyre roller assembly available
- Optional: Add-on track version available
- Optional: Optional Soft Close kit available
