

A heavy, top-hung system with smooth and quiet performance, designed for single internal doors in top mount and wall mount applications. The enclosed slim line aluminium track design allows for a more secure system since the wheels can't jump off the track.

FEATURES

- Track:** Enclosed aluminium track Mill finish - top mount
- Wheel assembly:** Nylon tyred 4-wheel carriage with ZZ bearings
- Key features:** Quick release mechanism on wheel assemblies
- Door Guide:** Floor mounted aluminium guide - slimline & robust
- Door Stop:** Concealed end stop with door retention clip
- Optional:** Optional wall mount bracket available
- Optional:** Optional Glass Clamps pack available (80kg per door)
