PELMET

FORERUNNER PELMET

SLIDING DOOR SYSTEM WITH PELMET

An internal sliding door system suitable for doors up to a maximum of 50kg. Available to suit doors up to 915mm and 1220mm, with options of mill finish and powdercoat white.

FEATURES

ANTI-BOUNCE CLIP STOP

Anti-bounce clip stop allows a smoother door retention as it takes hold of the hanger and prevents the panel from bouncing back when door is in the opened or closed position.

HIGH-SPEED PRECISION BEARINGS

Forerunners quality hanger consist of 4 nylon tyred, stainless steel high-speed precision bearings for a smoother operation.

SMOOTH & QUIET OPERATION

Bearings combined with the unique track profile offers years of silent, smooth operation and superior rolling performance every time.

FEATURED COMPONENTS

FLAWLESS CONCEALED FINISH

For a flawless, concealed finish, easy clip on pelmets are available in both mill and clear anodised finish to suit multiple styles and aesthetics.

CLIP STOP

Mounted clip stop allows controlled door retention. It takes hold of the hanger and prevents the panel from bouncing back when opened or closed, for improved functionality.

Cowdroy is an Australian company supplying industry leading products across residential and commercial properties.

Established in 1890, Cowdroy specialises in door tracking systems, weather seals, insect screen, replacement wheels & rollers and more products for a wide range of applications.
