FLOATING SHELVING

ELEVATE YOUR SPACE

Floating shelves are a clever storage solution that attach to the wall using a concealed mounting bracket, creating a minimalist and visually appealing effect with their levitating appearance. This design not only saves floor space but also adds a modern touch to any room, making them an excellent choice for contemporary interiors.

Perfect for displaying decor, books, plants, or glassware, Cowdroy's floating shelf range offers a versatile and stylish option for your home. The range includes straight, hexagonal, and cubed variations, available in two modern colours. Whether you are looking to create an eye-catching feature wall or simply need additional storage, these shelves are designed to complement and enhance any room's decor. Their sleek design ensures they will suit a variety of interiors, from minimalist and modern to eclectic and cosy.

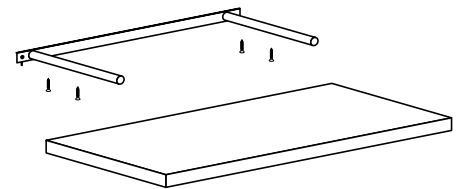

Simple to install, Cowdroy's floating shelves are the ideal solution for anyone looking to maximise space without sacrificing style.
