EPEC SNIB | ELECTRONIC PIN EURO CYLINDER

EPEC | ELECTRONIC PIN EURO CYLINDER

The EPEC Snib features an electronic keypad for external access control and Snib turn for internal operation

The EPEC Snib will help provide your door with a smarter lock, it is a cylinder that can replace 70mm length Euro cylinders allowing you to retain the existing lock body and handle.

Fitting to the Euro cylinder profile standard, the EPEC Snib offers an electronic PIN pad for external access control, and a Snib turn for internal operation.

Compatible with existing fixed and floating cam lock bodies, the EPEC PIN pad allows you to create and manage up to 12 unique PIN codes across two groups

External side
